INTECH Computer Solutions Inc. Becomes Member of MSPAlliance®

INTECH Computer Solutions Inc. joins vibrant global consortium of cloud, managed service providers and technology enabling vendors

SASKATOON, SASKATCHEWAN, February 12, 2018—INTECH Computer Solutions Inc. today announced that it has become a member of the MSPAlliance.

MSPAlliance is the oldest Managed Services group and the only Accrediting and Standards based body created specifically for the Managed Services Industry. With over 30,000 corporate members worldwide, the MSPAlliance is a very powerful and influential global network of IT professionals. MSPAlliance works in a collaborative effort with service providers, technology enabling vendors, governmental bodies as well as other industry associations, to further the acceptance of the managed services and cloud industry to the business consumer.

MSPAlliance Member companies are able to achieve MSP and Cloud Certifications including, SSAE 16 Audits and ultimately achieve certification through the MSPAlliance MSP/Cloud Verify Program™

"We are delighted to have INTECH Computer Solutions Inc. as a member of our global association," said Celia Weaver, MSPAlliance president. "By upholding the MSPAlliance Managed Service Provider's Code of Ethics, INTECH Computer Solutions Inc. will work with MSPAlliance, as well as their industry peers, to help ensure the integrity of the managed services and cloud profession."

INTECH Computer Solutions Inc. is pleased to announce its membership within the MSPAlliance® family. Since our inception, we have sought out partnerships with vendors and service providers that will enable us to leverage excellence for the benefit of our clients. This membership represents a recognition of that ideal, underscoring a commitment to providing our technology partners with the utmost in professional, responsive customer service and attentive care. Furthermore, it represents the first step towards 3rd party certification of the integrity and calibre of the services we provide.

ABOUT MSPALLIANCE

MSPAlliance® is a global industry association and accrediting body for the Cyber Security, Cloud Computing and Managed Services Provider (MSP) industry. Established in 2000 with the objective of helping MSPs become better MSPs. Today, MSPAlliance has more than 30,000 cloud computing and manage service provider corporate members across the globe and works in a collaborative effort to assist its members, along with foreign and domestic governments, on creating standards, setting policies and establishing best practices.
